WELCOME TO THE EXPO

The Melbourne Disability Expo and WorkAbility Expo welcomes you as our Exhibition Partner!

The integrated expos run on both Friday 22nd and Saturday 23rd November with the exception of the WorkAbility Consultation Zone and WorkAbility Workshops which will only be open on Friday 22nd November. WorkAbility Expos are funded by the Australian Government Department of Social Services and both expos are an initiative of ImpactInstitute. The expos are designed to help you promote your organisation as well as bringing together other service providers and specialist businesses, with consumers and their families, case-workers, teachers and carers, in a way that ensures your product or service is seen by those who need to know what you offer. **Our aim is to enhance the lives of people living with a disability in a positive and encouraging way.** In this manual, you will find important information and dates regarding your participation as an exhibitor.

COVIDSafe Event

The event organisers will continually be guided by State Government regulations and restrictions as well as the **MCEC VenueSafe** plan at the time of the event to ensure our Expo operates as a COVIDSafe event. This manual includes general information regarding the event, however there will be specific instructions for the operation of this event under COVIDSafe conditions that will affect all event operations. Exhibitors can view our **COVIDSafe Information Guide** by clicking the link. It will be your responsibility to ensure that all staff are aware of and abide by the state government requirements in place at the time of the event.

To assist you in preparation here are some things you can place as part of the COVID Safety Plan:

- Encouragement of at least 1.5m physical distancing
- Single point entry and exits plus directional flow in operation to assist with social distancing
- Messaging good hand and respiratory hygiene. Hand sanitisers will be located within the exhibition hall
- Regular cleaning and disinfecting of venue
- Hygiene reminder messaging throughout venue
- A range of screens and COVID safe equipment can be hired through ExpoNet

PLEASE NOTE THIS LIST IS NOT EXHAUSTIVE AND YOU SHOULD READ THE COVID Safety Plan prior to the event.

Expo Hours

Booths must be occupied by a minimum of two people **at all times** during the operating hours (listed below) over both days. In the case of an emergency where you have to leave your booth unoccupied, please notify an Expo staff member as soon as possible.

Official Opening Ceremony

The official opening ceremony will commence at **11am Friday 22nd November**. We encourage all sponsors and exhibitors to take advantage of this opportunity to connect and network with other service providers and government officials by sending at least one person to the Official Opening Ceremony.

The official opening ceremony will include speeches and performances. We appreciate that there may be some noise throughout the venue during the ceremony and would appreciate your support and patience during this time.

Please also note that there will be a number of disability groups performing throughout the Expo. We again appreciate your support of our fantastic performers, and we will endeavour to monitor noise levels and keep them to a minimum.

MAXIMISE YOUR BOOTH & PRESENCE

We strongly recommend exhibitors maximise their booth and presence at the expo by considering the 5 steps detailed in the ‘**How to Maximise Your Booth and Presence**’. This is where exhibitors can have an instant impact and showcase their organisation.

Plan

- Ensure you are completely ready and prepared for the two-day event.
- Keep in mind the size of your booth when preparing furniture and signage.
- Don't run out of promotional material – and proofread everything.
- Keep your booth focused and consistently branded across all items. Utilise the **upgrades** and design team available through **ExpoNet**.
- Highlight your product or brand and think of ways to make it stand out.
- Offer easy-to-use lead forms (digital is preferable), seating for attendees, and something to keep children entertained.
- Plan and document your move-in and daily schedules so that all staff know what is expected and nothing is missed. Make up a survival kit of pens, paper, chargers etc.

Design

- Use high-quality imagery. Let the professionals do their job – with your guidance.
- Keep the booth bright, simple and clean.
- Don't clutter the booth with too much content or distractions.
- Tell attendees what you do in the simplest way possible.
- Visualise how people will engage and view your booth and how it represents your brand, service, or product.

Engage

- Smile and be as inviting and friendly as possible without being intrusive.
- Make them remember you. Branded merchandise that people can take with them is always a great idea.
- Know your pitch, your organisation and how to answer difficult questions. Prepare a communication plan.

Customer Experience

- Use social media as a medium for sharing what is happening at your booth in real-time & pre-expo.
- Serious clients do not want to wait for too long for information. When you have a client literally waiting for you, capitalise on that opportunity by having simple and effective Info or booking sheets ready to send.

Follow-up

- Ensure you follow up with all contacts made during the Expo by email, phone, and social media, preferably whilst at the Expo or immediately after.

Please ensure you give yourself sufficient time to set up! Move-in times must be strictly adhered to. This will ensure the Expo starts on time and all booths are prepared and ready for the 9am public opening. **All exhibitors must set up their booths on Thursday 21st November from 3pm to 6pm.** You will have access to your booth for **final preparations and cleaning on Friday 22nd November between 7am and 8am.**

***IMPORTANT: The move-in/move-out (MIMO) form will be sent to the main contact who completed the booking form. The MIMO form will open on the 7th October and closes on the 31st October – this form is compulsory for ALL exhibitors to complete.**

Registration

Exhibitor registration will open at 3pm, Thursday 21st November at the Information Booth opposite the entrance of the expo hall. You have to firstly check in at the registration and collect your exhibitor pack and lanyard passes. Your pack will have information about the Expo, venue facilities, rules and regulations and procedures on moving-out on the Saturday. It will also contain your exhibitor staff passes and a limited number of tea/coffee vouchers. **The staff passes are nameless, interchangeable and must be handed back after the Expo.** All staff must wear a lanyard pass while present at the expo venue to be identifiable. Please plan the use of the lanyard passes by sharing them between shifts and you're encouraged to hand back your lanyard passes after the expo is closed on Saturday.

Register all staff attending the Expo by 31st October via the MIMO form.

Bring-in Items

If exhibitors are couriering any large items or equipment to the expo, the couriers must come through the loading dock to deliver the items. A **Drop-Off Zone** will operate via the MCEC **loading dock 1** via Normandy Rd from 9am – 5pm, Thursday 21st November for courier access only. Exhibitors **must** engage a courier in order to access the Drop-Off Zone in loading dock 6 and ensure all items are clearly labelled with the correct building identified, Melbourne Exhibition Centre Bay 1-3, Roller Door 1 (*Bay/Door Location*). All small items or boxes must be brought in via the main entrance. To access delivered items Exhibitors **must first sign in at registration** before requesting their items from the loading dock.

Figure 3: Melbourne event loading dock map (Door 1 Location)

Exhibitors must use the loading dock to unload large items and/or equipment. Loading dock access is only granted to exhibitors who have applied via MIMO form. Although the Loading Dock is easily accessible, the enclosed area can quickly become congested. To managed this, exhibitors access time may need to be altered from what is requested in the MIMO submission. A confirmation email will be sent to indicated your allocated access time to the loading dock after the MIMO is closed and MIMO report is approved.

Third-Party Suppliers

This does not apply if ExpoNet are supplying items for your booth as they are an authorised supplier.

It is recommended that any exhibitor transporting freight to and from MCEC use the services of a specialised courier. This will avoid potential problems with customs, duties, or deliveries outside of scheduled move-in/out times and ensure a smooth delivery process.

It is the **sole responsibility** of the exhibitor to arrange freight deliveries, and any costs associated with this. Please note: MCEC loading dock staff will not sign possession of goods from couriers on behalf of exhibitors. Event organisers will be on hand to accept delivery however, all items being delivered must be listed on your MIMO form. A separate, allocated Drop-Off zone will be available for freight forwarders to leave parcels. These can be accessed via the registration desk situated in the main concourse.

Goods **must not** be sent to the loading dock before **9am or after 5pm on Thursday 21st November** and all goods must be collected by the end of the official move-out time, no later than **5pm Saturday 23rd November**.
